

STRUGGLING WITH ADDICTION? WE CAN HELP!

Outpatient & Intensive Outpatient

Substance Abuse Services

Our outpatient and intensive outpatient programs help individuals struggling with substance use maintain abstinence from alcohol and/or drugs by developing and enhancing healthy life skills.

Services Offered:

- ✓ Referral/Screening
- ✓ Intake & Assessment
- ✓ Individual and Group Counseling
- ✓ Family Counseling/Support
- ✓ Substance Abuse Education
- ✓ Case Management Services
- ✓ Crisis Interventions
- ✓ Mental Health Referrals

All services will be provided free of cost to Medi-Cal and My Health LA qualified patients who meet medical need. If needed, prospective clients will be given assistance with enrolling in Medi-Cal or My Health LA programs.
